DESCRIPTION

- Health Plus is an innovative web application designed to simplify and enhance the way people access health and wellness services.
- It is a comprehensive platform where users can order, compare, and search for health clubs, doctors, hospitals, gyms, medical supplies, fitness centres and other healthcare providers.
- Users can book appointments with doctors and other medical practitioners, sign up for health club memberships, and view detailed doctor profiles with information on qualifications, specialties, experience and patient reviews.
- The website also contains listings on medical services such as counselling, hospital information, and user reviews and ratings.
