## YOUR REVIEWS

User Name	Service Name	Date	Rating	Review
Brandi	Brighter Dental	3 weeks ago	1	Nothing like taking the day off for an appointment and getting a call less than 24 hours before your appointment to be told the Doctor is going on vacation so we canceled your appointment! Completely unprofessional! No one is not the wrong office we have a text from your office as well. My mother was scheduled last Friday and received a message Thursday evening!
Maysa Hussain	Brighter Dental	2 months ago	5	Dr Roger Nouneh saved my teeth. He has best knowledge and experience. He cares about his patients and treat them like a family. He is kind. He explains everything in details. The office medical staff are awesome.
Tony Thomas	Brighter Dental	2 months ago	5	I've been going to this office for a few years now. They are very professional with a family type feeling. If you are like me, get kind of nervous in the dentist office, they'll help to calm you down and ease your mind.
Gavriluc Elena	Brighter Dental	7 months ago	5	The whole team is super professional, friendly. Dr Nouneh is amazing, got wide expertise, always provides education on my dental care and procedures, the procedures are painless and always felt comfortable. Thank you kindly for your great work and dedication!!
TM	Brighter Dental	11 months ago	1	Place used to be good, but the new dentist young, rude and inexperienced. She didn't take her time on the cleaning, missed teeth when polishing and didn't even bother to floss all of my teeth. Teeth still felt rough after the cleaning, when I asked how my teeth/gums looked she just said 'good'. Came here 2 years ago and the dentist was outstanding, professional, welcoming, and knowledgeable. Really has gone downhill unfortunately with the new staff, could even hear them joking/laughing/talking about me and patients in the next room. Exam wasn't thorough, wouldn't trust the 1 maybe 1.5 min it took her. Don't waste your time and money.
